CAREER OBJECTIVE

I am currently pursuing a B. Tech in Computer Science and Engineering (IoT) with a strong passion for technology and innovation. Eager to contribute my skills to a dynamic organization, I aim to tackle challenging projects, expand my technical expertise, and continuously grow both professionally and personally.

EDUCATION

B.Tech in Computer Science & Engineering (IoT) 2021 - 2025

• G. H. Raison College of Engineering, Nagpur | CGPA : 7.9

Class XII

• Maharashtra State Board | Percentage : 84.17 % 2021

Class X

• Central Board of Secondary Education | Percentage : 67 % 2019

TECHNICAL SKILLS

- C++
- Java
- HTML, CSS
- IoT
- Software - Arduino IDE
- Proteus 8

INTERNSHIP

Maestro Intellect , Nagpur

Jun– Dec 24

Full Stack Developer

Clothezy

- Developed responsive web interfaces using HTML, CSS, Bootstrap, and JavaScript, ensuring a seamless user experience. Data mapping on server to integrate it in dashboard.
- Built and optimized web pages with JavaScript, frameworks, and databases, delivering efficient and user-solutions.

NGO Internship at Anmol Foundation

- Coordinate a variety of activities for an NGO and assisted physically challenged individuals.

PROJECT

- **Developed an IoT Based system for efficient pharmaceutical inventory management using ultrasonic sensors.**

The system automates medicine level tracking in storage boxes with real-time updates, reducing manual checks. It features a user-friendly interface for accurate inventory monitoring and timely restocking alerts, improving efficiency and accuracy in pharmaceutical inventory management. Team Size: 2.

- **Design and development of portable attendance unit for employee using IoT**

This project uses the R307 fingerprint module with ESP32, connected to an MQTT Dashboard server. A serial monitor tracks attendance when a finger is placed on the fingerprint sensor. Duration: 3 months | Team Size: 3.

SOFT SKILLS

Open to Work || Adaptability || Leadership || Team Collaboration || Public Speaking.

PARTICIPATION

- GYMKHANA Secretary at GHRCE || • Attended a workshop on salesforce.
